Things to start thinking about:

How many "attendants" will you have on each side?

Will you use a unity candle? Will you use a "runner" which is a white cloth down the center aisle?

Will you have a ring bearer or flower girl?

Will you have pictures before, after, or both before *and* after the ceremony?

Will you have a "receiving line" to greet your guests after the ceremony or at the reception?

REMEMBER!

- Don't contract with any other places or vendors until you have turned in this page (both sides) with payment of fees to guarantee the church building and pastor for your wedding.
- Be sure to make separate arrangements with the church office if you will require use of the church building for a rehearsal dinner, reception, etc. as there are additional instructions and fees required.
- Contact the Pastor to start pre-marital counseling and planning at least three months prior to your wedding date.
