## Joyful Response

LCEF promotes good stewardship of the blessings God has bestowed upon us.

Through the *Joyful Response* program, churches and schools can receive electronic payments directly to their LCEF StewardAccount from church members' personal bank accounts or StewardAccounts.

- Simple. Electronic payments are automatically transferred on the dates requested.
- Safe. No worrying about lost cash or stolen checks.
- Convenient. Donations and/or tuition payments are transferred directly to the church or school.
- Stewardship-minded. Electronic transfers create a consistent cash flow for the church or school, and these dollars continually support the ministry of Church Extension.
